

# LSU

## School of Veterinary Medicine

As one of only 33 veterinary schools in the U.S., the mission of LSU Vet Med is to improve and protect the lives of animals and people through superior education, transformational research, and compassionate care.

### Vision

Bettering lives through education, public service, and discovery

### Mission

Improving and protecting the lives of animals and people through superior education, transformational research, and compassionate care

### Values

Integrity. Compassion. Innovation.
