

LSU Vet Med Summer Scholars Application

To apply for the LSU Vet Med Summer Research Scholar Program you will need to complete the following application. Additionally, you will also need to prepare a proposal with the mentor of your choosing (please see the website for proposal details), along with a letter of interest (why do you want to participate in the program and what do you hope to get out of it!). You may combine all three files into one submission and submit to Dr. Britta Leise at bleise@lsu.edu . Please use the email subject: (CURRENTYEAR)Summer Scholar Application/Proposal. You should receive notice of your application being received within 24 hours.

NAME (first, last): _____

Email: _____ Graduation Year: _____

Current GPA (after completion of latest fall sem): _____

Current Class Rank: _____

Faculty Mentor: _____

Faculty Mentor's email: _____

By selecting the box and signing below, you are agreeing to the following terms of the program: Students must make a full-time commitment to the program. Students and mentors agree that the student will make every effort to attend all lectures, field trips, and meetings unless excused by the **mentor AND program director prior to the event**. Students will give an oral presentation of results at the end of the summer to colleagues and mentors. Students will also present the results of their projects as posters at the National Summer Scholars Symposium in August and at LSU Vet Med Phi Zeta Research Emphasis Day the following year.

☐ I agree

Signature: _____

For this application to be considered complete you must also send the following to bleise@lsu.edu :

- **Letter of interest**
(500 words or less, on your future career goals and why you are interested in the summer scholars' program)
- **Research Proposal**
(2-5 page research plan, for details please see the website)
